On behalf of all governors, staff and children, I would like to welcome you to the Discovery Federation of schools and in particular Moorside Primary School.

As a group of schools, we look forward to working with our families on many occasions and hope that we will have successful and happy partnerships between home and school. At Discovery Federation we believe in working together to ensure children achieve their full potential regardless of their starting points or SEND needs. We pride ourselves in being an inclusive environment where all members of our school community are valued. Parents support with their children's education is vital and key to their long-term success. Across our Federation of schools, we welcome parental involvement in every aspect of a child's learning and will provide many opportunities for families to play an active part in their children's education.

We have a highly skilled and dedicated staff team who are committed to providing the highest standard of education for all our children. We aim to provide a stimulating and relevant curriculum within a positive learning environment, based on mutual respect and trust inspiring all our children to work hard and develop resilience within their learning.

We aim for the children in our school to become independent, self-disciplined, caring and tolerant young people with a good knowledge of the wider world. We hope to inspire them with a love of learning to enable them to make good progress and reach their full potential.

If you would like any further information please do not hesitate to contact us.
